TABLE OF CONTENTS

1. INTRODUCTION

Name of Company: An Duong ITI Co., Ltd

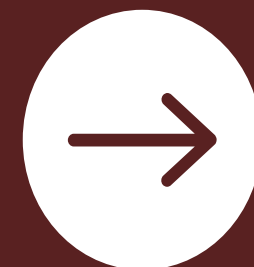

- Headquarters: 112 Me Tri Ha St, Tu Liem Ward, Ha Noi city, Vietnam
- Established Year: 2020
- Core Business: International Trade & Supply Chain Management (Rubber & Agricultural Products).
- Main Markets: Southeast Asia, EU, and UK.

Established in 2020 – a pivotal year for the global economy, An Duong ITI was born with the ambition to elevate the value of Vietnamese agricultural products in the international market. Starting with strengths in specific raw material regions, we have rapidly expanded our network, partnering with modern manufacturing and processing facilities across the country. Over the past 5 years, An Duong ITI has continuously optimized its nationwide supply chain to ensure abundant, high-quality sources that meet the strictest sustainability standards of demanding markets like the European Union (EU).

2. VISION & MISSION

- Vision: To become a trusted bridge between high-quality Vietnamese agricultural products and the global market, specifically the United Kingdom.
- Mission: Delivering excellence through rigorous quality control, sustainable sourcing, and transparent trading processes.

Creating connections, sustaining value

WHY

CHOOSE
US?

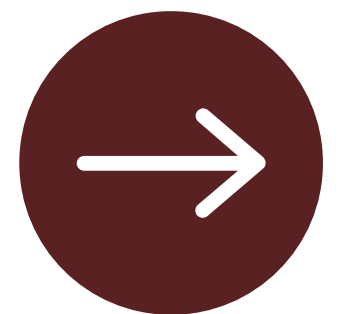

Quality Excellence: By partnering with elite manufacturing facilities (HACCP, ISO 22000, BRC certified), we ensure that our entire supply chain maintains full compliance with international regulatory frameworks and the most stringent global food safety standards

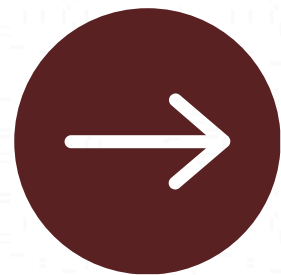

anduong 
Creating connections, sustaining value

Tailor-made Solutions: We offer customized formulas and packaging based on specific market requirements

anduong

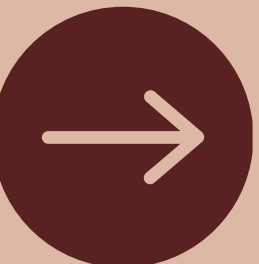

Creating connections, sustaining value

Traceability: Full transparency in sourcing, from raw material to the final product.

“Export Mastery: Extensive expertise in navigating New-Generation Free Trade Agreements (including UKVFTA and EVFTA) and ensuring seamless compliance with complex international import regulations and technical barriers to trade”

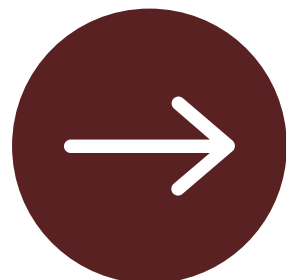

4. OUR SUPPLY CHAIN & PARTNERS

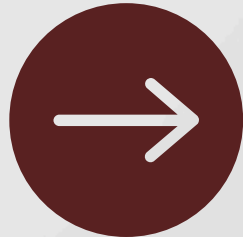

anduong 

Creating connections, sustaining value

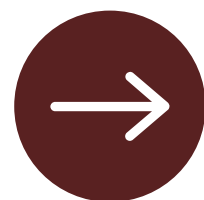

- Sourcing: Directly cooperating with premium raw material regions in Vietnam.
- Manufacturing Partners: Our processing plants are equipped with modern spray-dried and freeze-dried technology, ensuring the highest flavor retention.
- Certifications: Our production lines comply with BRC, IFS, Halal, and ISO standards.

We have established a strategic network of Vietnam's most reputable and high-standard processing facilities. Combined with our commitment to rigorous, independent quality management systems, we ensure that even the most exacting client requirements are met while safeguarding their maximum interests

5. PRODUCTS & SERVICES

INSTANT COFFEE OEM/ODM

Custom blending and packaging (3-in-1, 2-in-1, Black Coffee, Freeze-dried).

RUBBER TRADING

High-quality natural rubber for industrial applications (SVR 3L, SVR 10, SVR CV60, etc.).

6. SUSTAINABILITY & COMPLIANCE

- Commitment: We strictly follow ethical trading practices and environmental regulations (mentioning EUDR & FSC readiness if applicable).
- Social Responsibility: Supporting local farming communities and ensuring fair trade.
